

Colorado Engineering Council

STUDENT AWARD WINNERS

After an extensive interviewing process, CEC awards either a Silver Medal or a Certificate of Merit, to outstanding senior students in engineering or engineering technology, based upon the number of ABET accredit degree programs the school offers.

As of January 2008 the program breakdown is as follows:

Schools qualified for a Silver Medal for engineering are:

Colorado School of Mines
Colorado State University
United States Air Force Academy
University of Colorado at Boulder
University of Colorado at Denver
University of Denver

Schools qualified for a Certificate of Merit for engineering are:

Colorado State University – Pueblo
University of Colorado at Colorado Springs

Schools qualified for a Certificate of Merit for engineering technology are:

Metropolitan State College of Denver

All Logos and Trademarks are the property of their registered owners. The mentioned here of any college, university, or other organization does not represent an official linkage with the Colorado Engineering Council.
